

NORDISK MICROFIBER

**We make it easy to
buy and use
professional cleaning
articles**

32x32 cm basic microfiber cloth for all types of surface cleaning.

Product information

Strong microfiber cloth with extremely high absorbing capability of dirt and a particularly high capacity of cleaning due to the construction of the fibres and the weaving method. Ergonomically due to the SOFT effect, which makes it easy to twist. Quadruple overlock that ensures a firm and strong microfiber cloth for the entire service life. Use it dry, damp or wet. Ecolabelled with OEKO-TEX® STANDARD 100, 2176-336 DTI.

Washing and maintenance

- Do not use strong alkaline detergents (≤ 12)
- Use regular detergent (Ph<10,5) – dose 1/3 of recommended dosage
- Do not use fabric softener, chlorine or bleach
- On the products, there is a single dot icon indicating they should be dried at 30 degrees for a maximum of 80 minutes or at 60 degrees for a maximum of 55 minutes – and preferably with cold air drying at the end.

Disposal: To be disposed of with waste disposal or recycled in order to form part of the circular economy.

Product carbon footprint:

The product's total carbon footprint amounts to **0,43 kg CO₂-eq. per unit**, calculated using a life cycle assessment (LCA).

Documentation: The calculation has been carried out in accordance with ISO 14040/44. Further details are available in the associated LCA report.

OEKO-TEX
Yes

Material
80% polyester/20% polyamide
