Stainless mop frame

N-9002

40 cm stainless mop frame for Ringo System. Strong and extremely durable mop frame for ordinary cup system.

Product information

40 cm stainless mop frame for Ringo System. Easy to put on and remove the mop. Very durable and heavy due to the stainless steel. The mop has a firm contact to the floor due to the weight of the frame – that ensures an optimal cleaning. Particularly suitable for flat press washing system due to the low height.
Fits to NMF telescopic handles.

Washing and maintenance

- Wipe with damped cloth

Disposal: To be disposed of with waste disposal or recycled in order to form part of the circular economy.
