buy and use
professional cleaning
articles**

Handy 10 litres mop box with lid. Use it to wet and prepare the mops before use, 40 cm.

Product information

Blue mop box with lid, fits 40 cm [microfiber mops](#). The mops are placed in the box, either horizontal or upright. Afterwards, the right amount of water is added – see [here](#) how to impregnate microfiber mops. The mop box can contain 20 microfiber mops. The box keeps the mops damp or wet for up to 12 hours before use. With advantage, the box can be used after impregnation in the washing machine. Wheels can be attached, art. no. [00003484](#).

Washing and maintenance

- Wipe with damped cloth

Disposal: We recommend disposal at recycling centre to be a part of the [circular economy](#).
