articles**

4-in-1 mop set for professional cleaning with a spray handle, mop frame and 2 Nordic Swan Ecolabelled microfiber mops, combined in one complete set.

Product information

The set includes

- 1 pc. [Mikro Vision Mop, 40 cm](#) – article no. FA-43-47-B
- 1 pc. [Mikro Vision Mop Heavy Duty, 40 cm](#) – article no. FA-43-47-HD
- 1 pc. [ultra-lightweight Velcro mop frame, 40 cm](#) – article no. 3003
- 1 pc. [Spray Handle Proff., 140 cm](#) – article no. 47009

Complete professional mop set with two different Nordic Swan Ecolabelled microfiber mops, mop frame and spray handle for efficient floor cleaning.

Nordic Swan Ecolabelled mops

The Mikro Vision Mop is an efficient all-round mop, while the Mikro Vision Mop Heavy Duty is particularly suitable for hard surfaces and non-slip floors.

Both mops are GRS certified and certified according to the Nordic Swan Ecolabel, generation 3.

Spray Handle Proff. and mop frame

The Spray Handle Proff. is an ergonomic 140 cm spray handle with an integrated 600 ml liquid reservoir, allowing liquid to be distributed in front of the mop.

The ultra-lightweight 40 cm Velcro mop frame secures the mop with vulcanised Velcro, ensuring a firm grip on the mop.

Washing and maintenance

Mops:

- Do not use strong alkaline cleaning agents (≤ 12)
- Use standard detergent ($\text{pH} < 10.5$) – use max. 1/3 of the recommended dosage
- Do not use fabric softener, chlorine or bleach
- Tumble dry at 30°C for a maximum of 80 minutes or at 60°C for a maximum of 55 minutes – preferably finishing with cold air

Mop frame and spray handle:

- Wipe with a damp cloth
- The mop frame is machine washable
- Keep the mop frame free from yarn and other particles

Disposal: Dispose of the mops with general waste or recycle them through a collection scheme. We recommend taking the handle and mop frame to a recycling facility for recycling.
