Light Blue Mesh Laundry Bag with Drawstring Closure

V-5075-B

Light blue mesh laundry bag with a drawstring closure for collecting and washing mops and cleaning cloths. It measures 50 × 75 cm and is made from 100% polyester.

Product information

The bag can be hung directly on a cleaning trolley to collect used mops and cloths during cleaning. A fill line helps prevent overfilling, leaving enough room for the mops and cloths to move freely during washing. You can write the location name directly on the bag, making it easy to see where it belongs.

Washing and maintenance

- Do not use strong alkaline detergents (≤ 12)
- Use regular detergent (Ph<10,5) – dose 1/3 of recommended dosage
- Do not use fabric softener, chlorine or bleach
- Use the damp dry setting when using a dryer or set it to cupboard dry, max 60 degrees

Disposal: We recommend disposal at recycling centre.
