Mop dispenser

PLN-2000-T

If you want the best cleaning result every time the solution is the new dispenser for nordic swan ecolabelled mops and cloths.

Product information

The dispenser ensures that mops and cloths are being dosed correctly, when they are being prepared before cleaning. The dispenser eases the preparation of mops and cloths.

And correct preparing is crucial to get the best cleaning result. It is of great importance if the mop is:

Too dry – then the cleaning result is inferior

Too wet – then the cleaning result is inferior

If you want the best cleaning result every time, the dispenser is the solution.
See instruction video here.

Use it for all NMF nordic swan ecolabelled microfiber products.
