Nordic Recycle Trolley 2.0 – HoReCa Small

N-1000-NRT2-Hotel2

Exclusive Design Line

Product information

Environmentally conscious, stylish and user-friendly hotel trolley in the Exclusive design line of NMF. Size small. Thorough trolley for daily refilling and service on hotels, for example. Use it to transport linen, towels, supplies or other practical things. Many storage possibilities for small and big things. Functional constructed – utilise the space to the max. Load capacity: 300 kg. Solid trolley that drives easily on the floor and is easy to manoeuvre. Construction of aluminium and 2 layer plastic secures a service life of minimum 10 years. The stylish design and the sustainable materials leave a professional and eco-friendly impression. The trolley is delivered, as shown in the picture.

Material: 90% certified recycled plastic of post consumer waste from Europe – 100% recyclable.

Also available in large, art. nr. N-1000-NRT2-Hotel1.
