

Waste bin with swing lid, 50 L. Stylish, functional and sustainable.

## Product information

Functional and stylish waste management system with colour-coded lid for easy sorting. The system can be joined with a coupler, so that more can stand jointed in a row. All materials used have 100% recyclable. The product is made of 75% recycled plastic which corresponds to 59 recycled plastic bottles (based on the Danish Environmental Protection Agency's average volume, which is 70 cl and 25 g per plastic bottle). The bin saves 2 kg of CO<sub>2</sub>. It is HACCP certified and therefore it can be in areas with foodstuff, e.g. restaurants, kitchens, food factories et cetera.

Fits to Nordic Recycle Waste Coupler, size large (art. no. N-400-kobling-L).

Also available in 25 litres (art. no. N-400-25-G) and 15 litres (art. no. N-400-15-G).

## Washing and maintenance

- Wipe with dampened cloth

**Disposal:** Since the product is 100% recyclable we recommend disposal at recycling centre in order to form part of the circular economy.
