Size medium for 25 litres waste bin. Coupler for Nordic Recycle Waste Management so the waste bins can stand jointed in a row.

Product information

Coupler for Nordic Recycle Waste Management. To be fixed on one side of a waste bin and on one side of another waste bin to join them. If more waste bins are to be coupled, another coupler is fixed and so it continues. Fix as many couplers that is suitable for one row of waste bins.

Fits to 25 litres NRW [waste bins](#), both with swing lid and pedal.
Also available in [large](#) (art. no. N-400-kobling-L).

Washing and maintenance

- Wipe with damp cloth

Disposal: To be disposed of with waste disposal or recycled in order to form part of the circular economy.
